## AA01/2 **TELESCOPIC EXTENSION SPINDLE FOR GAS VALVE**

**DN40 - DN300**

Telescopic Extension Spindles are used to open/close the valves from ground level.

### **Application:**

### **Design features**

- Pipe Bell to protect the pin against dirt.
- Possibility of making a galvanized version
- Possibility of making a casing with a mounting depth according to the order.

### **Technical Details:**

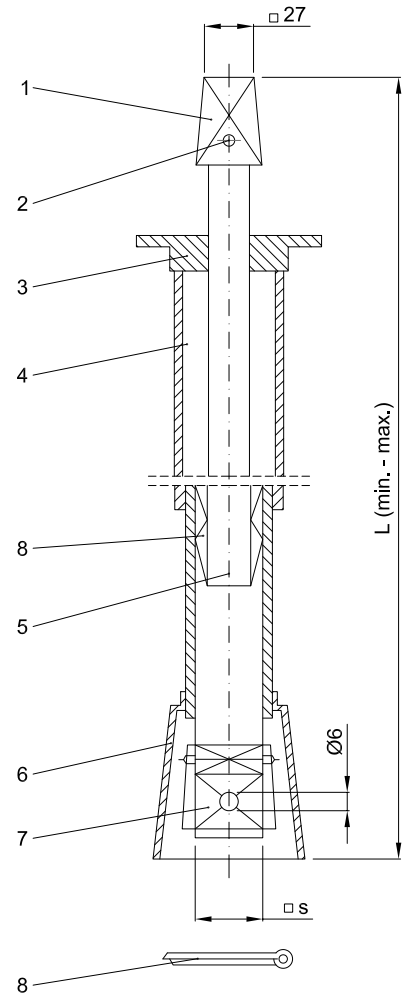

#### **Coating:**

Black bituminous paint  
FeZn5 galvanized - optional

AA01/2
